Global Sourcing & Supply Chain Solutions Without Limits

OSANTS is a global strategic sourcing and supply chain partner delivering customized components, engineered systems, and turnkey manufacturing solutions to industries and defense organizations worldwide.

COMPANY OVERVIEW

OSANTS is a global strategic sourcing and supply chain partner specializing in:

-  Custom fabricated components
-  Electromechanical systems
-  Engineered assemblies
-  Precision machining
-  Global procurement management
-  Turnkey manufacturing support

CORE VALUE PROPOSITION

OSANTS transforms fragmented global sourcing into:

-  Controlled procurement
-  Quality-driven manufacturing
-  Cost-effective production
-  Reliable delivery systems

KEY CERTIFICATIONS & STANDARDS

-  **ISO 9001**
Quality Management Systems
-  **IATF 16949**
Automotive Quality Management
-  **UL CERTIFICATION**
For Electrical Safety
-  **IPC/WHMA-A-620**
Wire Harness Assembly Standards
-  **INDUSTRY-SPECIFIC COMPLIANCE**
Compliance tailored to meet unique industry requirements

WHY PARTNER WITH OSANTS?

-  Global sourcing expertise
-  End-to-end supply chain solutions
-  Rigorous quality and compliance
-  Scalable and cost-effective
-  Long-term strategic partnerships

21+

YEARS

OF GLOBAL SOURCING EXPERIENCE

GLOBAL PRESENCE

International sourcing network with trusted manufacturing partners in:

-  USA
-  CHINA
-  VIETNAM
-  INDIA
-  CANADA
-  COLOMBIA
-  GERMANY
-  IRELAND
-  NIGERIA
-  MEXICO
-  SINGAPORE
-  THAILAND

GLOBAL REACH

Trusted partnerships across the world.

ENGINEERED QUALITY

Precision, reliability, and performance built in.

STRATEGIC PARTNER

We become an extension of your team.

COST & EFFICIENCY

Driving value through innovation and scale.

ON-TIME. EVERY TIME.

Reliable delivery, Worldwide.

THE UNLIMITED CAPABILITIES OF OSANTS

From Individual Parts to Fully Integrated Systems

OSANTS delivers end-to-end sourcing, engineering, manufacturing, assembly, and logistics solutions that power industries and drive performance without limits.

1 COMPONENTS

OSANTS SOURCES:

-  Precision machined parts
-  Metal fabrications
-  Castings & forgings
-  Electrical components
-  Plastics & composites
-  Electronics & PCB assemblies
-  Hydraulic systems
-  Power transmission components

2 ASSEMBLIES

CAPABILITIES INCLUDE:

-  Electromechanical assemblies
-  Hydraulic assemblies
-  Wire harnesses
-  Integrated modules
-  Control panels
-  Drive systems
-  Mechanical subassemblies

3 SYSTEMS & SOLUTIONS

OSANTS DELIVERS:

-  Complete production systems
-  OEM-ready assemblies
-  Industrial automation solutions
-  Custom engineered kits
-  Turnkey manufacturing programs

UNLIMITED SOURCING MODELS

 Build-to-print

 Strategic procurement programs

 Inventory & warehousing solutions

UNLIMITED CAPABILITIES
Solving complex challenges with flexible, scalable solutions.

ENGINEERED EXCELLENCE
Precision, performance, and reliability in every solution.

GLOBAL NETWORK
Access to world-class manufacturers and expertise.

END-TO-END SUPPORT
From sourcing to delivery—we've got you covered.

BUILT FOR YOUR SUCCESS
Solutions that drive efficiency, reduce cost, and accelerate growth.

OSANTS DELIVERS UNLIMITED VALUE

A Complete Global Sourcing Lifecycle

OSANTS PROCESS FLOW

⚙️ CORE CAPABILITIES

HIGHLIGHT:

- ✔️ Supplier audits
- ✔️ Manufacturing oversight
- ✔️ Engineering support
- ✔️ Warehousing
- ✔️ Export preparation
- ✔️ Import coordination
- ✔️ Inventory programs

★ DIFFERENTIATORS

- ✔️ Global sourcing expertise
- ✔️ Long-term partnerships
- ✔️ Transparent communication
- ✔️ Proven cost savings
- ✔️ End-to-end accountability

“ FEATURE QUOTE

“OSANTS becomes an extension of your engineering and procurement team.”

GLOBAL REACH
Access to trusted suppliers and partners worldwide.

MANUFACTURING EXCELLENCE
High-quality production at scale.

ENGINEERED SOLUTIONS
Custom builds for demanding needs.

LOGISTICS EXPERTISE
On-time, on-budget global delivery.

PARTNER YOU CAN TRUST
Committed to your success at every step.

FEATURED INDUSTRY

AUTOMOTIVE

Driving Innovation Through Precision Manufacturing

OSANTS delivers high-performance components, assemblies, and systems that power today's vehicles and drive tomorrow's mobility.

AUTOMOTIVE CAPABILITIES

- OSANTS SUPPORTS:**
- ✓ OEM automotive manufacturers
 - ✓ EV platforms
 - ✓ Heavy vehicle systems
 - ✓ Specialty vehicle manufacturers

COMPONENTS & SYSTEMS

- EXAMPLES INCLUDE:**
- ✓ Transmission systems
 - ✓ Chassis assemblies
 - ✓ Electrical harnesses
 - ✓ Motor components
 - ✓ Precision gears
 - ✓ Hydraulic systems
 - ✓ Seating systems
 - ✓ HVAC components

EV & EMERGING TECHNOLOGIES

- CAPABILITIES FOR:**
- ✓ Battery enclosure systems
 - ✓ Thermal management components
 - ✓ Lightweight materials
 - ✓ Power electronics sourcing

VALUE DELIVERED

- ✓ Cost reduction
- ✓ Supply chain stability
- ✓ Global manufacturing scalability
- ✓ PPAP and automotive compliance

PRECISION & QUALITY
Engineered to meet the highest automotive standards.

GLOBAL SOURCING EXPERTISE
Access to vetted manufacturers and advanced production worldwide.

INTEGRATED SOLUTIONS
From individual parts to fully integrated systems and assemblies.

DELIVERING EXCELLENCE
On-time, on-spec, every time. Anywhere in the world.

POWERING THE FUTURE
Enabling innovation for a smarter, cleaner, and more connected future.

FEATURED INDUSTRY CONSTRUCTION & INFRASTRUCTURE

Powering Heavy Industry & Critical Infrastructure

OSANTS delivers high-performance components, assemblies, and systems that power today's construction and infrastructure projects and build the foundation for tomorrow.

INDUSTRIES SERVED

- ✓ Construction equipment
- ✓ Cranes & lifting systems
- ✓ Concrete equipment
- ✓ Material handling
- ✓ Industrial machinery
- ✓ Dock systems

PRODUCTS & ASSEMBLIES

EXAMPLES:

- ✓ Structural fabrications
- ✓ Hydraulic cylinders
- ✓ Gearbox systems
- ✓ Engineered weldments
- ✓ Conveyor systems
- ✓ Loader assemblies
- ✓ Crane components

OPERATIONAL ADVANTAGES

- ✓ Large-scale manufacturing coordination
- ✓ Overseas production management
- ✓ Logistics optimization
- ✓ Cost-effective sourcing

RAW MATERIAL

LOGISTICS EXPERTISE

On-time, on-budget global delivery.

PARTNER YOU CAN TRUST

Committed to your success at every step.

FEATURED INDUSTRY

DEFENSE & AEROSPACE

Mission-Critical Performance Without Compromise

OSANTS delivers advanced sourcing, engineering, and manufacturing solutions that meet the rigorous demands of defense and aerospace applications worldwide.

DEFENSE APPLICATIONS

OSANTS SUPPORTS:

- ✓ Ground vehicle systems
- ✓ Defense electronics
- ✓ Ruggedized assemblies
- ✓ Mobility systems
- ✓ Military-grade fabricated structures

AEROSPACE APPLICATIONS

OSANTS SUPPORTS:

- ✓ Precision machined aerospace parts
- ✓ Structural assemblies
- ✓ Aircraft support systems
- ✓ Wire harnesses
- ✓ Flight-qualified components

SPECIALIZED SERVICES

WE DELIVER:

- ✓ Controlled supplier qualification
- ✓ Traceability management
- ✓ ITAR-aware sourcing support
- ✓ High-reliability manufacturing oversight

MISSION-READY ADVANTAGES

BUILT ON:

- ✓ Stringent QA processes
- ✓ Global sourcing resilience
- ✓ Supplier auditing
- ✓ Engineering collaboration

BUILT FOR RELIABILITY IN HIGH-STAKES ENVIRONMENTS

Engineered. Tested. Trusted. OSANTS is your mission-ready partner for performance, compliance, and peace of mind.

PROVEN RELIABILITY

Delivering mission-critical solutions with zero compromise on quality.

GLOBAL REACH

Access to vetted suppliers and manufacturing partners worldwide.

COMPLIANCE ASSURANCE

Meeting the strictest industry, regulatory, and defense standards.

ENGINEERING PARTNERSHIP

Collaborative support from concept through production and beyond.

MISSION FOCUSED

Every component. Every assembly. Every delivery. Built for success in critical missions.

FEATURED INDUSTRY

MARITIME

Driving Innovation Through Precision Manufacturing

OSANTS delivers high-performance components, assemblies, and systems that power global maritime operations and advance the future of marine technology.

MARITIME CAPABILITIES

OSANTS SUPPORTS:

- ✓ Shipbuilders & shipyards
- ✓ Marine OEMs
- ✓ Commercial vessels
- ✓ Offshore & subsea operations
- ✓ Naval & defense marine
- ✓ Specialty marine systems

COMPONENTS & SYSTEMS

EXAMPLES INCLUDE:

- ✓ Propulsion systems
- ✓ Steering systems
- ✓ Electrical systems
- ✓ Engine components
- ✓ Precision machined parts
- ✓ Hydraulic systems
- ✓ Pumps & valves
- ✓ HVAC systems
- ✓ Deck machinery

EV & EMERGING TECHNOLOGIES

CAPABILITIES FOR:

- ✓ Electric propulsion systems
- ✓ Energy storage systems
- ✓ Thermal management components
- ✓ Lightweight marine materials
- ✓ Power electronics sourcing

VALUE DELIVERED

- ✓ Cost reduction
- ✓ Supply chain stability
- ✓ Global manufacturing scalability
- ✓ Class certifications & regulatory compliance
- ✓ On-time delivery & performance reliability

PRECISION & QUALITY
Engineered to meet the highest maritime industry standards.

GLOBAL SOURCING EXPERTISE
Access to vetted manufacturers and advanced production worldwide.

INTEGRATED SOLUTIONS
From individual parts to fully integrated systems and assemblies.

DELIVERING EXCELLENCE
On-time, on-spec, every time. Anywhere in the world.

POWERING THE FUTURE
Enabling innovation for a smarter, sustainable, and connected marine future.

FEATURED INDUSTRY

MATERIAL HANDLING

Driving Innovation Through Precision Manufacturing

OSANTS delivers high-performance components, assemblies, and systems that power material handling equipment and optimize warehouse and distribution operations.

MATERIAL HANDLING CAPABILITIES

OSANTS SUPPORTS:

- ✔ Lift trucks & forklifts
- ✔ Conveyors & sortation systems
- ✔ Warehouse automation systems
- ✔ Pallet jacks & stackers
- ✔ AGVs & AMRs
- ✔ Dock equipment
- ✔ Aerial work platforms
- ✔ Specialty handling solutions

COMPONENTS & SYSTEMS

EXAMPLES INCLUDE:

- ✔ Hydraulic systems
- ✔ Drive & traction systems
- ✔ Mast assemblies
- ✔ Chains, sprockets & belts
- ✔ Wheels, tires & casters
- ✔ Bearings & rollers
- ✔ Electrical systems
- ✔ Control modules
- ✔ Structural components
- ✔ Attachments & forks

EV & EMERGING TECHNOLOGIES

CAPABILITIES FOR:

- ✔ Electric drive systems
- ✔ Battery systems & BMS
- ✔ Thermal management
- ✔ Lightweight materials
- ✔ Power electronics sourcing
- ✔ Regenerative braking systems

VALUE DELIVERED

- ✔ Cost reduction
- ✔ Supply chain stability
- ✔ Global manufacturing scalability
- ✔ Quality & performance reliability
- ✔ On-time delivery
- ✔ Aftermarket support

PRECISION & QUALITY
Engineered to meet the highest material handling standards.

GLOBAL SOURCING EXPERTISE
Access to vetted manufacturers and advanced production worldwide.

INTEGRATED SOLUTIONS
From individual parts to fully integrated systems and assemblies.

DELIVERING EXCELLENCE
On-time, on-spec, every time. Anywhere in the world.

POWERING THE FUTURE
Enabling innovation for a smarter, safer, and more efficient material handling industry.

FEATURED INDUSTRY

MEDICAL

Precision, Compliance, and Reliability for Critical Industries

OSANTS delivers high-quality, precision-engineered components and assemblies that meet the strictest industry standards for performance, safety, and compliance.

MEDICAL INDUSTRY SUPPORT

OSANTS CAN SOURCE:

- ✓ Medical device components
- ✓ Stainless precision parts
- ✓ Electronics assemblies
- ✓ Clean-environment compatible components
- ✓ Instrumentation housings
- ✓ Mechanical assemblies

HIGH-PRECISION MANUFACTURING

CAPABILITIES INCLUDE:

- ✓ Tight tolerance machining
- ✓ Complex fabricated assemblies
- ✓ Specialized coatings & finishes
- ✓ Clean-room compatible sourcing

COMPLIANCE & QUALITY

- ✓ ISO-driven supplier management
- ✓ Traceability programs
- ✓ Inspection & testing oversight
- ✓ Documentation management

EXPANDED APPLICATIONS

- ✓ Laboratory systems
- ✓ Imaging equipment
- ✓ Patient mobility systems
- ✓ Diagnostic equipment

QUALITY YOU CAN TRUST

Rigorous supplier vetting and continuous quality assurance.

GLOBAL SOURCING EXPERTISE

Access to certified suppliers worldwide.

ENGINEERED SOLUTIONS

Custom manufacturing support for complex needs.

RELIABLE DELIVERY

On-time, on-spec, every time.

PARTNER IN YOUR SUCCESS

Committed to performance, compliance, and your goals.

FEATURED INDUSTRY

TRANSIT & BUS

Moving Industries and Communities Forward

OSANTS delivers tailored sourcing, engineering, and manufacturing solutions that support the transit and mobility industry—helping our partners build safer, more reliable vehicles and systems that keep the world moving.

TRANSIT & MOBILITY CAPABILITIES

OSANTS SUPPORTS:

- ✓ Bus manufacturers
- ✓ Rail systems
- ✓ Trailer manufacturers
- ✓ Commercial vehicle OEMs

COMPONENTS & SYSTEMS

EXAMPLES:

- ✓ Seating systems
- ✓ HVAC modules
- ✓ Electrical assemblies
- ✓ Suspension components
- ✓ Structural chassis components
- ✓ Interior systems
- ✓ Safety assemblies

INTEGRATED MANUFACTURING SUPPORT

- ✓ Multi-supplier consolidation
- ✓ Kit assembly programs
- ✓ Global logistics coordination
- ✓ Inventory management

FEATURED BENEFITS

- ✓ Reduced lead times
- ✓ Streamlined procurement
- ✓ Improved production continuity

GLOBAL REACH

ON-TIME. EVERY TIME.
Reliable delivery, worldwide.

UNLIMITED WAYS TO BUILD BETTER SUPPLY CHAINS

Whether sourcing a single precision component or managing a complete global manufacturing program, OSANTS delivers scalable, dependable, and fully integrated solutions tailored to your industry.

CAPABILITY HIGHLIGHTS

COMPONENTS

Precision components to meet exacting specifications.

ASSEMBLIES

Sub-assemblies and complex builds, ready to integrate.

SYSTEMS

Fully integrated systems built for performance and reliability.

ENGINEERING SUPPORT

Design review, DFM, and technical support from concept to launch.

MANUFACTURING OVERSIGHT

End-to-end oversight to ensure quality, efficiency, and compliance.

GLOBAL LOGISTICS

Worldwide logistics solutions that keep your supply chain moving.
